

## **ALIGNING WITH HEAVEN**

**A Prophetic Word and Message for the Body of Christ in England - 2018**

**Ps. 118:24 – “This is the day which the Lord hath made; we will rejoice and be glad in it”. KJV**

**THIS IS THE DAY – not any day, not some day, but THE DAY WHICH THE LORD HAS MADE. We will rejoice in it and be glad. We can only truly rejoice in THE DAY if we have a spiritual understanding of the day.**

“THE DAY” can mean a span of 24 hours but mostly in Scripture it is defined by a “time, season, or era”. “WHICH THE LORD HATH MADE” quite literally means “this is the day which the Lord is bringing to pass”. It also infers being industrious in this day; as well as, being on a journey.

As the people of God we can:

- KNOW the time in which we live
- ALIGN with heaven’s purposes for that time
- and LOCK IN to what God is desiring to do.

When we understand what the Father is saying prophetically in any season we can then align. From that place we can have right expectations and walk in the flow of His Spirit to see His purposes

realized. (There are times when we endeavor to walk something out in the wrong season, the wrong way, and with the wrong people – and it is difficult, frustrating, and often disappointing.

When we flow with the wind of the Spirit, there is a supernatural catching up into heavenly realms that brings a momentum we could never achieve on our own. We are carried forward in His purposes – and there is joy, fruitfulness and blessing).

I pray that you will have EYES TO SEE AND EARS TO HEAR what the Lord is wanting to do in your midst in THIS DAY and lock in with such faith and expectation.

The Lord showed me that He wanted to move afresh in this land and as part of His plan **He wanted to do a new thing.**

**The Lord says, “I want to raise up a powerful church in this land where My Son alone is Head and Chief, and where my Spirit had freedom to move.**

**I want the church to be the Gatekeeper of this land and where “the seat of power” is found (as it once had been as believers spent much time on their knees). As such I am positioning many in the Houses of Parliament and a new order shall come forth”.**

\*In October last year the Lord called me to fly from Australia to England to bring a word to an MP in the current government. There was some urgency on the word from heaven and the Lord opened the way for me to minister to that man, pray, and prophesy. I shared that November was significant. The Lord was wanting to bring forth a NEW ORDER and after I left the nation it became quite messy as there was people movement, uncovering of wrong.....I do not believe there will come a settling until March.

3.

**The Lord says “I want to call forth the apostles and prophets so that the church can be built with Christ as the Cornerstone” (Eph. 2:19-21).**

**The Father has shown me that the apostles need to be called back into position for many have feared to stand in their apostleship and some don’t understand what it means to be called to apostleship beyond the borders of the church.**

**Many of the prophets are wounded and some have felt as if they have been silenced and rendered unable to pursue their calls. It is time for them to rise to the call.**

**“I am going to put apostles and prophets together as they should be and there will come networking, relationship and teams will flow together. This land will know a new flow of prophetic revelation as many come into dreams and visions. There will be much training and releasing and for the first time so many will understand their assignments. Together these ministries will repair and strengthen foundations”.**

**Over the next 2-3 years there will come an influx of prophets from around the world to release what I have said into this land”. 2018 will see a real flow of the prophet’s reward – not just in the prophetic word but as they release the anointing there will come rapid change, movement, calling into position, birthing and breakthrough.**

**The Lord says, “I want this nation to again know its heavenly assignment in the earth and its anointing, and then boldly take territory for the Kingdom not just here but in the uttermost parts.**

**I have not forgotten your call and the mission given to this land. Some of you feel as if your prayers have gone unanswered and your prayers**

**4.**

have bounced off the ceiling – never reaching the ears of the Father. But the Lord says, “I HAVE HEARD and I am beginning to move. Shall ye not see it in the days to come”.

He wants to make prayer again a hallmark of the church in this land. A spirit of prayer and supplication is being poured out. (This began to happen in the first quarter of 2017 and it will spread across the nation). From the little fires of groups gathering for prayer, there will come a blazing fire of the Spirit. People will come with pure hearts simply to bring to birth His purposes. Some will come from other nations (and I particularly see the continent of South America) to see this revival of prayer and the power it releases into the church. Schools of prayer will rise up.

“I am calling forth a new order in this land and it is beginning to be seen in both the church and in government. My heart is to make the church in this land A NEW WINESKIN CHURCH. It will look different, feel different and be different”.

There is a generation of believers here who love the Lord (in my culture we would call them “seniors” – those around 45 and over). They have had great vision and for various reasons not seen the fulfilment of their calls. They sit disappointed, rejected, and wounded. Some don’t trust leaders....some question the Father and ask what happened.

The Lord says, I want to bring my word to these ones a second time and release them to their callings. I desire to heal and minister and stir their hearts again toward their assignment”. RESTORE, RESTORE, RESTORE.....

This is THE Day.

5.

- God wants you to understand the time.
- To align with His purposes
- Have a right expectation of His moving
- Walk in the flow of His Spirit

Right now the Father's focus is upon this land. His heart is especially turned toward this nation..... **HE WANTS TO DO A NEW THING IN THE LAND AND A NEW THING IN THE CHURCH**

### **THIS IS THE DAY.**

As believers we should be aware that there are two calendars – the Gregorian calendar by which we live out our daily lives. This calendar is accepted across the world; as well as the Jewish calendar. When we consider the Gregorian calendar, we understand that in January we entered the year 2018 and when we consider the Jewish calendar we understand that we have entered the year 5778 (back in October 2017).

We understand that we must lock into both calendars to fully flow with God's purposes.

2018 and 5578.

Both ending in the numeral 8.

So right now we sit within the season of both calendars and their meanings and when we marry the two Biblical numeric values together we receive insight into THIS DAY and what God makes available to us in Him. Both calendar years ending in the numeral 8.

6.

In terms of Biblical meaning, the numeral 8 clearly carries the meaning of “**new beginnings**”.

I believe that in 2018 there is a tremendous opportunity for believers to **WALK THROUGH A DOOR OF ACCESS INTO A PLACE OF NEW BEGINNINGS.**

As the Lord fashions the church into a new wineskin – so He wants to fashion you into a new wineskin believer.

The Holy Spirit has highlighted to me that coming into the call or destiny that God has for this nation and you as individuals has two components and they are found in the Book of Judges – through the life of Gideon.

#### **JUDGES 6:12 onwards.....**

When we read of Gideon he was threshing his family’s grain – in a winepress (in a place of hiding) so that the Midianites who were cunning, deceitful and oppressive couldn’t take the grain.

The angel of the Lord went to where Gideon was and he greeted him with “The Lord is with you, mighty warrior”. (Gideon’s name meant “warrior”).

Gideon was not in a place to hear the Lord’s call. He was taken up with “protecting” his family’s grain from the enemy. He had been contained by the enemy and couldn’t receive what was being said. HE WAS STUCK. He was in survival mode- fearful of losing the little he had.

**GOD NEVER CONSIDERS THE CIRCUMSTANCES OF WHERE YOU ARE OR WHO YOU ARE WHEN HE CALLS YOU. HE SPEAKS OF WHAT YOU ARE GOING TO BE IN HIM AND WHAT YOU ARE GOING TO DO IN HIM. HE BRINGS AN ASSURANCE THAT HE IS WITH US.**

He brought a polite response to the greeting and showed exactly where he was at in his faith.....“if the Lord is with me.... Why has all this befallen us? Why has he abandoned us? Where is he?

**The story of Gideon is a powerful picture of God calling a man and taking him to a place of extraordinary destiny and success in Him.**

**The Lord took this fearful and defeated man – who states he is the weakest of a weak clan and made him a hero of faith who CONQUERED KINGDOMS AND ADMINISTERED JUSTICE. See Heb. 11.**

V14 – The Lord continued on. He didn’t console him. He said “go in the strength you have. Am I not sending you?” When he began to list out his inadequacies the Lord simply said, “I will be with you”.

That day Gideon began a journey with the Lord that began to take him out of the old, out of containment to the place of fully walking in the Lord’s call.

Gideon was given **TWO INSTRUCTIONS** that would propel him into his destiny – that would break off bondages and set him free.....

- **To tear down the idols of his father**
- **To build an altar to the Lord**

WHEN WE ARE CALLED OR CALLED TO SOMETHING NEW we find that there will be IDOLS TO TEAR DOWN and AN ALTAR TO BUILD WHERE THE IDOLS HAVE BEEN.

– whether that be a natural line of heritage, cultural line of heritage, educational line of heritage, or church line of heritage.

- Actual idolatry, tradition, religion, cultural bondages, mindsets, intellectualism.

8.

**IDOLATRY is:** anything that is placed where God should be; anything that has kept you from the Kingdom call; even hurts and disappointments.

Gideon was given the instruction to build “an altar to the Lord” – not an altar for the sake of religiosity but a place of dedication, worship and sacrifice to Him alone. We are to build our lives as an altar to the Lord.

The Lord has shown me that there are many in this land who have been contained – with the same questions of the Lord as Gideon.

In this new wineskin church there is a place for YOU – an assignment from heaven that no one else can fulfil.

He has a strategy for you to enter that call. It will most certainly include “tearing down” and “building”.

In the annals of this time God desires that your name and story be recorded in the present day Heroes of Faith. You just need to start out in the strength you have and allow Him to speak to you about what to “tear down” and what to “build”.

If you have been “contained” and if you have been “in survival mode” (endeavouring to hold the ground you have taken.....I challenge you to seek the Father and hear His call to you and then obey His instructions to tear down and build an altar to Him. Enter your destiny for He is with you.
